7 SEAS ENERGY S.A.S., in compliance with current and applicable transit and transportation regulations and Resolution 40595 of 2022, is committed to protecting life on the roads, as well as the health and overall safety of all road users, including drivers, employees, contractors, subcontractors, suppliers, and visitors who play a role in traffic activities.

The company is also committed to ensuring the implementation of actions and strategies in road safety within all organizational activities, promoting continuous improvement in this area.

It reaffirms its commitment to ensuring the necessary human, technological, logistical, and financial resources for the planning, implementation, monitoring, and continuous improvement of the Strategic Road Safety Plan (PESV).

Furthermore, with the goal of fostering safe behaviors, the company will establish and implement management programs for critical risks and define performance indicators to monitor the behavior of all collaborators during both mission-related and commuting trips (in itinere).

This policy is consistent with current legislation and will be reviewed at least every three years.
